Report of the Trustees for the year ended 31st December 2021

The Trustees present their annual report and the financial statements for the year ended 31st December 2021.

Information with respect to the identity of the Trustees is set out on page 3 of this report. The financial statements comply with the charity's trust deed, guidance of the Charity Commission, applicable Accounting Standards in the United Kingdom and the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities" issued in 2005 and the Charities Act 2011.

Status and administration

The charity is constituted by a Deed of Trust dated 21st April 1999, and has been a registered charity since 23rd February 2001. The charity is registered with the UK Charity Commissioners under charity number 1085199.

Objects

The primary objects of Development Nepal are to support communities and marginalised groups using a participatory self-help approach to:

- Facilitate the community and individuals to assess their needs;
- Empower the community and individuals to identify solutions; and
- Support the implementation of these initiatives.

Development Nepal does this through implementing the *Ujyalo Bhabisya (Brighter Future)* Programme.

Review of the charity's activities and future developments

Development Nepal has continued to work with some of the poorest individuals and communities to increase their access to essential resources and opportunities, and increase their ability to make choices and influence change.

From May 2016 we have done this primarily through the establishment and operation of the *Ujyalo Bhabisya* Co-operative which is our channel to provide micro-finance and livelihoods support. Once profitable, profit from the *Ujyalo Bhabisya* Co-operative will support traditional *Ujyalo Bhabisya* programme activities.

The Trustees would also like to thank the *Ujyalo Bhabisya* Co-operative team: Ram Niraula, Kalpana Ghimire, Umesh Uranw, Gita Niraula, Yogita Koirala and Bhishma Dahal and the UCHEP Chairperson Rabin Ghimire. In particular the Trustees wish to recognise Ram Niraula's on-going hard work in leading the team locally.

The statement of financial activities for the year to 31st December 2021 is set out on page 8. A summary of the financial results is set out below.

Incoming Resources and Resources Expended

Income during the year has been £12,637 (prior year: £9,987) with expenditure during the year of £12,854 (prior year: £14,347) of which all related to direct charitable expenditure. During the year 2021 no fundraising events were held.

Direct Charitable expenditure on the *Ujyalo Bhabisya* Programme relates to costs incurred in running the *Ujyalo Bhabisya* Cooperative in Sunsari, East Nepal.

The charity's funds remain stable at £38,636 (prior year: £39,239).

Development Nepal

The Trustees wish to thank their supporters, including friends of Development Nepal, who have signed up for standing orders and for all those who generously supported Development Nepal through their own independent fundraising for Development Nepal.

Fundraising, administration and programme costs

Expenditure during the year relates to costs in Nepal associated with the operations of *the Ujyalo Bhabisya* Co-operative.

As Trustees we ensure that any expenditure relating to a fundraising event is covered entirely by the income relating solely to that event.

UK employees and related parties

The charity does not employ any staff in the UK, nor do the trustees or UK advisors receive any payment for their involvement with the charity. The charity has not made any related party transactions during the year.

Fixed assets and the revolving fund

The charity expenses small asset purchases made during the year direct to the income and expense account. Where support has been provided for community infrastructure, such as the development of irrigation systems, ownership is transferred to the local communities and as a consequence the costs incurred are expensed in the year incurred.

The charity does not hold any property or investments other than the monies committed to the Revolving Fund in Nepal that are held and utilised by the Co-operative, and recoverable from the Co-operative, in the same manner as funds held in the Co-operative by another member of the Co-operative.

Reserves

The trustees take any surplus to reserves at the end of each financial year and retain the funds for the use by the charity to support future programmes.

Trustees review the levels of reserves on an annual basis. Trustees are comfortable with the current level of reserves, as they represent sufficient funding for over two years' activity which reflects the fundraising lifecycle. At the 31st December 2021 the Revolving Fund as held within the Co-operative continues to be treated as a separate unrestricted reserve.

Governance of the charity

During the year the trustees have met virtually through a series of conference calls. Trustees serve for a minimum period of two years. The composition of the board of trustees is reviewed during the year to ascertain whether the trustees have the relevant skill-sets required to govern the charity. Potential trustees are identified by the current Trustees, and invited to join the board. Development Nepal's Trustees are supported by advisors, who bring specific skill-sets to support Development Nepal's activities. The Trustees and UK advisors provide their expertise and time voluntarily without pay.

Risk management

In the light of Corporate Governance guidance contained within the Charities Statement of Recommended Practice issued on 12th October 2000, the Trustees periodically conduct a high level Risk Assessment for the Charity and material Development Nepal expenditure during the year, and in particular ahead of any substantial expenditure and fundraising activities.

Trustees' responsibilities

The Trustees are required by charity law to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the charity and of the surplus

Development Nepal

or deficit of the charity as at the end of the financial year.

The Trustees confirm that suitable accounting policies have been used and applied consistently, and reasonable and prudent judgements and estimates have been made in the preparation of the financial statements for the year ended 31st December 2021. The Trustees also confirm that applicable accounting standards have been followed and that the financial statements have been prepared on the going concern basis.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

UCHEP and Nepali advisors

The charity is grateful for the unstinting efforts of UCHEP for their crucial input as implementation delivery partners of the *Ujyalo Bhabisya* Co-operative. The Trustees are particularly grateful for the ongoing support that Rabin Ghimire and the rest of the UCHEP family provide in supporting the *Ujyalo Bhabisya* Co-operative.

During the year Development Nepal has worked closely with Harihar Maharjan and are grateful for his efforts and his support of the *Ujyalo Bhabisya* Co-operative.

By order of the Trustees

Independent Examiner's Report to the Trustees of Development Nepal for the year ended 31st December 2021

The accounts have been prepared by the trustees and reviewed by an independent examiner. I report on the accounts and accompanying notes of the charity for the year ended 31st December 2021, which are set out on pages 8 to 13.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the Charities Act) and that an independent examination is needed. The charity has prepared accounts on a receipts and payments basis and I am qualified to undertake the examination by being a qualified member of the Institute of Chartered Accountants for England and Wales.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the Charities Act; and
- to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- which gives me reasonable cause to believe that, in any material respect, the requirements to keep accounting records in accordance with section 130 of the Charities Act, and to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act have not been met; or
- to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Development Nepal

Notes to the Financial Statements for the year ended 31st December 2021

1 Principal accounting policies

The financial statements have been prepared in accordance with applicable Accounting Standards in the United Kingdom and the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities" published in October 2005, and in line with Charity Commission guidance. A summary of the principal accounting policies, which have been applied consistently, is set out below.

Basis of accounting

The financial statements are prepared on a 'receipts and payments basis'.

Receipts and income

Donations are recorded on a receipt basis.

The charity's policy on restricted funds is to separately record donations, grants and other sources of fundraising where restrictions are imposed that are narrower than the charity's overall objectives.

Resources expended

Resources expended are recorded on a payment basis. Where applicable, payments are split between direct programme expenditure and fundraising costs. During the year all of costs related to programme expenditure, with no costs relating to the fundraising.

Neither the Trustees nor UK based advisors receive any payment for their involvement with the charity.

Foreign currencies

Transactions in foreign currencies are translated at the average rate at the end of the year. Amounts held in Nepalese Rupees at year end have been translated at the closing rate. The closing rate at 31st December 2021 was 161 Rps to £1 (prior year closing rate 160 Np Rps to £1), and the average rate of exchange during 2021 was 162 Np Rps to £1 (prior year average rate being 152 Np Rps to £1).

Taxation

The charity is a registered charity, and as such is entitled to certain tax exemptions which it subscribes to. The charity is not registered for VAT and accordingly, all the charity's expenditure is recorded inclusive of any VAT incurred.
